0.05 Sec Fastest Matching	Anti-Spoofing Protection	File / Folder Encryption	Auto Installation	360° Touch	Multi Fingerprint

Features

- 360° all-round fingerprint induction and identification.

- Setup 10 different fingerprints, protect what you care most

- Tiny, lightweight and easy to carry

- Anti-spoofing by unique security technology

- Supporting external storage device encryption

- Easy to log in the most popular social networking and shopping websites.

- Upgrade your computer, encrypt files quickly

SPECIFICATION	S-SK100
Sensor Technology	Capacity Fingerprint Recognition Sensor
Hardware Interface	USB 2.0
Speed	0.05 seconds
Voltage	5V
O/S	Win 10 Home/PRO, Win 8.1, Win 7
Supports Browser	IE 10, Chrome
False Reject Rate	1.92%
False Acceptance Rate	1/50,000
Working Temperature	5℃ ~ 45℃

CE FC RoHS COMPLIANT
