

2 MP LPR Bullet Camera *With* Illuminator

- ▶ 1920*1080P Resolution
- ▶ White Light Array Led
- ▶ 14W(LED and Heater Works)
- ▶ IP66 Waterproof

Features:

- High performance multi media processor, SONY professional low lux CMOS
- 1920*1080P Resolution, 60FPS full real time
- 4*white light Array LEDs with stable and reliable property, Luminance decrease less 10% in 3 years
- Strong compatibility, high performance
- 1ch Alarm IN/OUT, Audio, 128G TF Card Slot
- 0-120km/h vehicle speed adjustable

SPECIFICATION	SIP-2HDG-W40V
Image sensor	Sony CMOS sensor
Resolution	1920*1080P
Video output	Network
Compression	H.265/H.264 high profile, M-JPEG
FPS	1920x1080/1-30fps, 1280*960/1-30fps, 1280*720/1-30fps
Compressed code	256K-12Mbps
Dual streaming / 3D DNR	Support
Network interface	RJ45 ethernet port,10/100M TCP/IP/UDP/RTSP FTP/PPPOE/DHCP/DDNS/NTP/UPnP supported
LPR model	Vehicle speed adjustable, environment brightness adjustable
Day/night	Auto switching (IR model)
LED	White light array LED
Lens	16mm HD 2.0MP
Power supply	DC12V(±10%) /POE(IEEE802.3at)
Power dissipation	14W(LED and heater works)
Work temperature, humidity	-10°C~55°C,10%~90% RH
Temperature control	-5°C heater(optional), 45°C fan works
Waterproof	IP66
