Have you notified your host family and your YEO? *You may be subject to host district rules and need permission from your host YEO, club and host family when your natural family arrives, especially if you plan on traveling with them. Be sure to look ahead and get these permissions before your family arrives.*

13. As you continue to think about your year, do you have any suggestions to help us improve the Outbound YEX program? _____

14. Is your sponsoring club planning to host an Inbound student next year? If so, can you suggest the names of students who might make good host brothers and sisters? _____

15. Is there anything else you'd like to share with us? _____

Your suggestions of student names would help the club YEO to get them started on the search for next year's exchange students and host families for the inbound students.

Valentine's Day is coming up next month. This may not be recognized in your country, so this is an opportunity to explain and show your family and friends how much you care for them. It's also a good time to send a Valentine to your family and friends at home.

*Reminder: Your ticket has a return date, but it is not necessarily a true date for you. You have one free change of this date for your return flight. If you change again, there will be a fee. The travel agency will let you know the deadline to make your reservations, usually the middle of February. Start to think about your plans for your return **now**. You will get the information from the travel agency next month. If you have already made your reservations –THANK YOU.*

A big Valentine's Day Hug
XOXO
